## Executive Summary and President's Message

Another busy and exciting year at The MRPMAC/ACT Arts Centre has gone by. As a Board of Directors, and in collaboration with staff and stakeholders, we completed a dynamic 3-year Strategic Plan. Many hours of thought, reflection and dreaming went into preparing our goals and vision for the future of our beloved Arts Centre.

One of my favourite things about The MRPMAC/ACT Arts Centre is that there is something for everyone here... Plays, Concerts, Films, Art Exhibits, Talks, Classes, Lessons, Dance Recitals ...just to name a few!

During the 2018/2019 Season and in alignment with our Strategic Plan, the Arts Council increased the capacity of our Arts Learning programs for all ages, which included a record number of school tours and workshops in the Art Gallery to meet increasing demand, new programs for pre-school, school-age children and youth, and expanded programs for adult learners as well. Additionally, we have continued to support Community Arts Partner grants and Post-Secondary Arts scholarships to support the creative aspirations of youth in our community.

We are thankful for the support and partnership of the City of Maple Ridge, Parks, Recreation and

Culture, School District 42, the Province of British Columbia and the Department of Canadian Heritage, as well as many community partners, sponsors and donors whose support allows us to increase and improve our services for our rapidly growing community. As well, I would like to acknowledge the dedicated and talented staff, along with all of the incredible volunteers at the centre of this organization. The Board is so grateful for their efforts to always keep the ARTS in the heart of our community.

# THE POWER OF THE ARTS IN OUR COMMUNITY

The MRPMAC/ACT Arts Centre embraces our leadership role in providing strong community, professional and educational arts experiences, providing access to the Arts for all segments of the community, and in promoting engagement with the Arts as means to foster the creativity of individuals and organizations in our community. The MRPMAC/Act Arts Centre's continual efforts in the area of community engagement are based on the understanding that cultural and artistic engagement is vital to a healthy community and society, and that the Arts can benefit everyone.

## Promoting Access

Through our **Arts Angels** and **School Access Programs**, and with the support of Westminster Savings Credit Union Foundation, the Haney and Ridge Meadows Rotaries, and numerous donors, The MRPMAC/ACT Arts Centre provides access to arts learning programs, live performances, and Art Gallery educational workshops for youth, through ticket underwriting support for those in need. We work with Community Services, the Seniors Network, Immigrant Services Society and many other community service groups to ensure that these programs serve the widest possible need.

## Supporting Youth

The MRPMAC/ACT Arts Centre awarded its annual **Careers in Arts Scholarship Awards** to five exemplary School District 42 students. Scholarships of \$1,500 were awarded as part the organization's annual commitment to supporting the artistic aspirations of students in the community.

For over twenty years the Careers in Arts Scholarship Awards have supported graduating seniors in their continued education in their artistic disciplines at an accredited post-secondary institution. Selection is based on a combination of demonstrated artistic achievement, technical skill & level of presentation, grades relating to the artistic category, personal resume, and planned attendance at a post-secondary institution.

The MRPMAC/ACT Arts Centre congratulates the 2109 Careers in Arts Scholarship recipients, who have been accepted to top post secondary institutions, are:

- Ava Buckley (Thomas Haney Secondary), Sophie Lannon (Maple Ridge Secondary), Logan Walker (Maple Ridge Secondary): Visual & Media Arts Scholarships
- Aisha Wewala (Pitt Meadows Secondary): The MRPMAC/ACT ARTS CENTRE Arts Council Scholarship in Theatre in memory of Amy Wallis
- Alexander Guraliuk (Westview Secondary): Literary Scholarship

# COMMUNITY EVENTS & ENGAGEMENT

## Community Days

---

Community Days offer free-of-charge hands-on activities at The MRPMAC/ACT Arts Centre, in partnership with City of Maple Ridge and with other organizations. We are grateful to the **Maple Ridge Community Foundation** for a grant supporting these activities in 2018-2019.

**Culture Day 2018** was a rhythm-inspired event inspired by the theme "OnBeat".

Participants enjoyed a variety of hands-on Arts Programming Activities including mini guitar classes with a fantastic new addition to the Arts Programming team, Jason Matheny, a musical craft with our beloved "celebrity" preschool art instructor Miss Shelly, a mini-dance class sampler with Chloe Zondag, and a hands-on communal work of clay art. The "beat" further came alive as participants were exposed to a variety of world percussion instruments by Boris Sichon and a fibre arts spinning wheel demonstration by Gallery Curator Barbara Duncan.

**A Christmas Tradition** was a festive day for residents to enjoy The MRPMAC/ACT Arts Centre's stunning 20 foot Christmas tree, photo opportunities with Frosty the Snowman himself, free holiday art Activities, a caroling singalong, and free hot chocolate and apple cider. The event also featured an afternoon performance by popular children's entertainers, Bobs & LoLo.

# COMMUNITY EVENTS & ENGAGEMENT

To celebrate BC's **Family Day**, The MRPMAC/ACT Arts Centre partnered with the **Maple Ridge Historical Society** and the Maple Ridge branch of the **Fraser Valley Regional Library** to offer a fantastic day of family Activities attended by over 400 people. Activities included creating rain sticks, clay play, a community mosaic, hands-on heritage crafts, and dance exploration. Children's entertainer Jacky Essombe entertained audiences with a participatory performance of music played on a variety of traditional African instruments and stores re-enforcing the community concepts of the traditional African village.

The MRPMAC/ACT Arts Centre's **Youth Art Ambassadors**, the youth volunteer corps, once again put on the popular parent-participation Easter event, **A 'Hop'ening Time** for children ages 2 – 12. Children and their parents enjoyed a circuit of seven holiday-themed craft and activity stations. As well as being an engaging event for the whole community, the event is also a fundraiser for the Youth Art Ambassadors to help them run more programs and support development of their skills in community service.

## Special Events: Maple Ridge Festival of BC Film

The 3rd event in the 3-year pilot partnership with Ridge Studios produced a 2-day festival event of feature film screenings shot and or produced in BC. Opening Night screened the visually stunning and thought-provoking **Haida Gawaii** and **The Incredible Life of Beau Dick**, two films focused on the inspiring stories of First Nations people and places. The festival also included the SD42 Cyber school film class students and their parents and friends for a screening of the film work created by the students, before culminating with the award-winning films *Meditation Park* and *Rehearsal*.

Beginning in 2018/19, The MRPMAC/ACT Arts Centre and the Maple Ridge Public Library partner to create and promote curated companion reading lists based on the ACT Presents Series of performances, to enhance and deepen experiences for readers and arts patrons alike.

Lindemann joined **The Bergmann Piano Duo** on the mainstage performing a variety show of classics and jazz, for the first, but certainly not the last standing ovation of the season.

# ARTS LEARNING PROGRAMS

Arts Learning Programs served over 3,500 people of all ages this year.

The popular and frequently sold-out adult **artBAR evenings**, in which participants 19+ can try an art activity over a glass of wine, have continued to grow in popularity, and reached capacity in many cases throughout the year. We are looking forward to expanding these offerings to meet the demand for this program in 2019-2020.

In addition to **over 300 classes and workshops**, for the first time, The MRPMAC/ACT Arts Centre produced a Spring Break Arts Camp specially designed for Kanaka Creek Elementary School students, who run on a different timetable than other SD42 schools. Students enjoyed a week with our professional instructors learning a range of art skills. Following this success, we plan to offer December and April camps for Kanaka students in 2019-20.

**New STEAM (science, technology, engineering, art, and math) programs** were introduced this year, as well as **semi-private guitar lessons for children and adults**. The MRPMAC/ACT Arts Centre's **ceramics studio continues to grow**, with steadily increasing adult and youth participation.

# THE ACT ART GALLERY

Programming in the ACT Arts Centre Gallery embraces diversity and balance each season, with a balance of both Craft and Fine Art, local and regional artists, and youth and adult artwork exhibitions that brought a **record number of visitors to the gallery this season, representing an increase of 1,209 patrons over the year previous.**

The Gallery's **six exhibitions drew thousands of visitors** this season, and included the **Whonnock Weavers and Spinners Guild's exhibit, Out of the Woods, Ensemble 2018 Juried Group Exhibition**, Gary Wyatt and Jay Bundy Johnson's innovative **Soundscape/Landscape**, the popular **School District 42 Secondary School Art Show**, a solo show of works by **Jane Kenyon**, and finished the Gallery season with the **Ceramica Botanica** group exhibition.

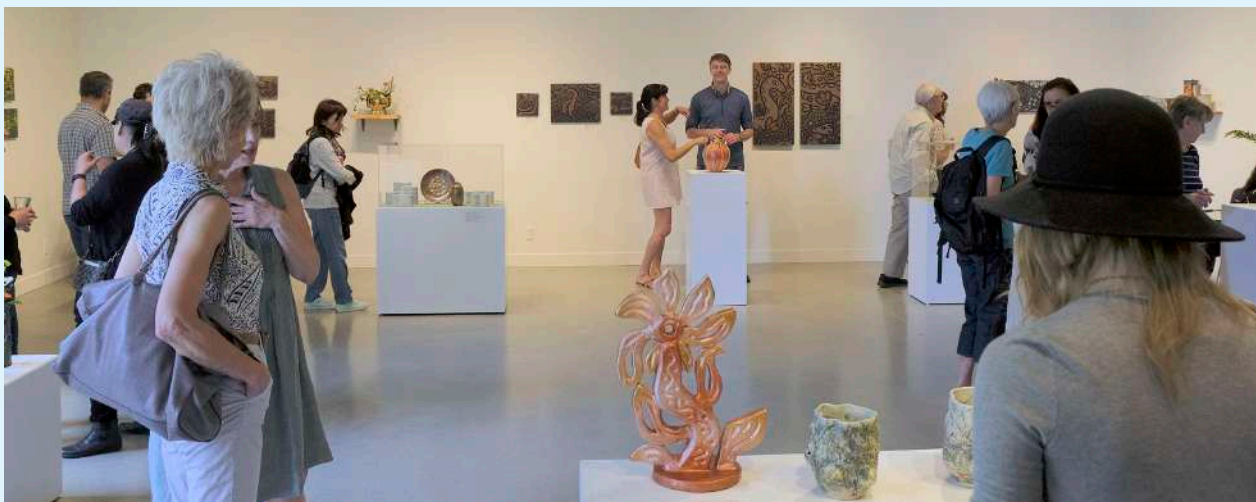

In the fine craft category, we were delighted to open the season with an outstanding local group, the **Whonnock Weavers and Spinners (WWSG)**. Also representative of the 'fine craft' category, our exhibition **Ceramica Botanica** demonstrated the close alignment of ceramics and plant forms. The paintings of local artist Tammy Routley were a perfect foil to the strikingly wide range of ceramics included in this exhibition.

The exhibition and sale **Ensemble** is truly representative of as many art forms as could possibly be encompass in a single exhibition. The invitation for artists to create small, carefully curated ensembles of their work, has always drawn together an amazingly diverse and compelling collection of work for this annual exhibition.

In the 'experimental' category, the gallery was delighted to invite visual artist **Gary Wyatt** to show a collection of his stunning landscape drawings alongside the elegant if quirky sound machine created by **Jay Bundy Johnson**.

The artwork of secondary school students was also celebrated in the acclaimed **High School Art Show**. Informative and provocative **artist talks accompanying each exhibition** are always well attended.

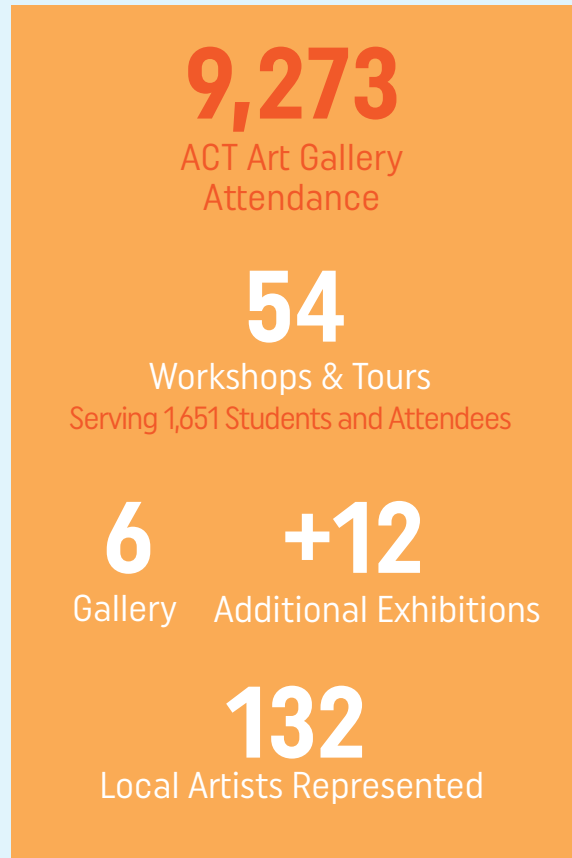

North Vancouver artist **Jane Kenyon's** exhibition of mixed media paintings shed light on the visual the language of non-objective art.

## The Gallery Shop

An expanded selection of home goods and quality contemporary craft met with the enthusiastic approval of our customer base this year. The Gallery's mission is to provide regional artists an enhanced opportunity to sell their work, while also generating a modest but significant revenue stream for The MRPMAC/ACT Arts Centre.

Together, **the volunteers gave over 6,200 hours of their time**, accepting tickets, ushering, assisting with arts programs and the gallery shop, serving beverages, setting up tables, handing out flyers and providing information about arts in our community. The MRPMAC/ACT Arts Centre volunteers are a vital component of the Centre's operations, and their dedication and generosity cannot be recognized enough. They truly are the heART of The ACT.

# FINANCIAL SUSTAINABILITY

The MRPMAC/ACT Arts Centre programs are sustained by balanced funding from the **municipal, provincial and federal governments** through grants for operations and for specific programs and projects; through **individual, civic and corporate contributions to the Annual Fund** and specific programs: through sponsorship partnerships with corporations and businesses in the community and through **creative annual fundraisers**.

New this year, a series of three educational and entertaining **Wine Blending Parties** led by a professional of the wine industry welcomed patrons through an educational and entertaining evening, culminating in friendly competition of wine blending 'teams' to win 'best blend of the evening'. The Annual fundraising event **TeaGarden**, in the Gallery engaged guests with an informative and entertaining presentation by local garden personality, Janis Matson.

Earned revenue includes **ticket sales and class fee revenues; gallery and shop sales; concession revenue and rental income** from the many promoters, film production teams, and community rental clients who use the facility annually.
